

LEGALESE

The Legal Roadmap

We understand. You want to be legally compliant and minimise risks, but you don't know what you don't know.

That's why we've built a new offering that we're calling the Legal Roadmap!

We use our experience as lawyers to do a quick, but in-depth, review of your business and **identify any legal gaps** that could cause issues down the line. We then design a course of action to fix them in a **manageable, affordable, and sustainable way**.

We're offering a **45-minute Legal Roadmapping session** for R1620 (ex VAT). If you'd like to set up a session, just drop us a mail on info@legalese.co.za.
